The Ebola crisis

We are writing you about the **GENERAL'S ANNUAL APPEAL**, which was launched this year on 8 March 2015 (Ref. No PG017/2015). In his letter, our Prior General, Bro. Jesús Etayo, *"said that we are continuing to run the current campaign in support of our centres in Sierra Leone and Liberia as a result of the Ebola crisis. Once again I thank you for your continuing generosity and urge you to go on supporting this cause, trusting that this year we shall succeed in putting this epidemic behind us once and for all."*

By this we are urging you to take again into consideration the letter Brother Jesus sent, because we believe that it clearly sets out and underpins the objective, the topical relevance and the charismatic urgency of carrying out this mission. **We would like to be able to close this fundraising campaign by the end of September. Thank You.**

Bro. Moisés MARTÍN BOSCA
