

DECALOGUE OF PASTORAL CARE FOR PEOPLE WITH DISABILITIES

RIGHT

We all have the **RIGHT** to live our spirituality and to receive the support we need.

SPIRITUAL DIMENSION

The **SPIRITUAL DIMENSION** is a constituent part of every person and it is important to provide comprehensive care which takes every dimension into account.

DIGNITY

Everyone has a **DIGNITY** as persons, which must be acknowledged and respected.

EQUAL OPPORTUNITIES TO SHARE

People with disabilities need **EQUAL OPPORTUNITIES TO SHARE** the experience of spirituality and to receive a quality response.

SPACES

We must provide **SPACES** to express and experience spirituality.

PEOPLE-CENTRED

Spiritual care must be **PEOPLE-CENTRED**, encouraging their participation in the process.

TAILORED SPIRITUAL CARE

It is necessary to offer **TAILORED** spiritual care and a personalised and differentiated response.

EXPRESSIONS OF SPIRITUALITY

It is important to respect different **EXPRESSIONS OF SPIRITUALITY** helping each person to contribute their own ritual experience.

QUALITY RESPONSE

We must provide the means needed to be able to offer a **QUALITY RESPONSE** to meet spiritual needs.

PROGRAMMES

Spiritual care **PROGRAMMES** must be well structured and organised.
