# **Donate A PLACE of HOSPITALITY in EAST TIMOR**

Our "GIVE HOSPITALITY A PLACE in EAST TIMOR" campaign sets out to raise the funds needed to construct a decent building in the city of Dili to temporarily house people, and help them find their way to achieving self-reliance and to return to their normal lives. This reception centre will offer a short-term solution and will mainly cater for the needs arising from the SOCIAL EMERGENCY in the city of Dili. To make the "Building a Place for Hospitality" project a reality, we are hoping to raise €280,138 for its construction.
